Knights of Columbus Accepts Donation for the Intellectual Disability Drive

By Bill Napper

HIGHLAND - Members of the Knights of Columbus Council # 1580 were very visible over the weekend as they took part in the “Campaign for People With Intellectual Disabilities” appeal.

This annual event is very popular and it’s easy to spot the KC members dressed in their yellow vests.

Environment Training Program Keeps Family, Children Safe

The Annual Firemen’s, EMT & First Responders Appreciation Dinner was held on Tuesday, September 18.

Grand Knight Kim White did a great job facilitating the evening which included a great turnout by many service personnel and K of C members. Magician Greg Green from Jerseyville entertained us all by his quick wit and masterful “sleight of hand” wizardry. This annual dinner brings public service safety personnel together and allows for the members of the K of C to express sincere appreciation for their commitment to making our communities safe.

We as members of the K of C are committed to making our communities safe as well. As K of C members we can assure the safety of our communities by demonstrating our commitment to ensuring the protection of our youth. We do this through our Safe Environment Training Program. The Safe Environment Training Program offered by the K of C is no longer restricted to Officer, Director and other key administrative positions. Recently, this same Safe Environment Training has become available to every member of the K of C. It is administered by the same organization known as Preasidium. This Safe Environment Training Program can be found at www.kofc.org/safe. Once you have found the proper site, simply click on training for members which is the BLUE tab. After clicking on the blue tab, you will be taken to the registration page. Enter the registration code given to you on the

Campaigning and supporting those with intellectual disabilities is a priority for members of the

Knights of Columbus.

The drive is often called the “Tootsie Roll Drive”, but the

Knights of Columbus have no official tie to the candy.

It’s merely a way of thanking the donors for their kindness and for the donation.

In fact, many councils offer a candy bar or some other kind of treat or candy.

Though numbers aren’t tallied yet, it appears that the community has rallied around the Knights and the drive to assist those with intellectual disabilities.

For that support the Knights of Columbus of Council #1580 are very grateful.

Select the organization, change the state/province, choose volunteer, and then the user position – “Knight.” Complete all other questions and then “Click Here to Enroll.” Once enrolled, there are three courses to complete. Each course takes approximately 30 minutes. You can complete a course and if necessary log out and return at a later date to finish remaining courses. Upon completion you will be given the opportunity to print out a certificate.

This Safe Environment Training Program provides very pertinent information related to the safety and protection of our children. It is a detailed program that will help all those instructed, to identify and act accordingly in providing assistance to victims of child abuse. This course is available to all Brother Knights and is free of charge. Please consider taking the course so that you can become more aware of this serious issue. Knowledge is power! Please let us all consider taking advantage of this opportunity to help keep our children safe.

September Family of the Month

Our Family of the Month for September is a Brother Knight, his Lady and children (and their friends), for their continual life of service as an integral part of their Catholic Faith.

This Brother Knight and family are involved in many activities in support of the Church and Council. Our Brother Knight serves on the Columbus Club Board and is instrumental in supporting the Gun Raffle, Bar Crawl and Baseball Field operations. His lady home schools their children and serves in the Confirmation program.

This award is being presented to highlight the hard work his children Francie and Jude along with Emerson Dermody, Emmalee Michaels, and Taylor Goring put forth in the concession stand over two days at the KC National Softball Tournament for the benefit of the St. Paul CYO.

It is with deep appreciation that we have selected Tony and Beth Hemann and Family as our Family of the Month for September 2018.

Congratulations from Council 1580.

September Knight of the Month

We have selected as September's Knight of the Month, a Brother Knight who joined our council in 2014.

This Brother Knight serves on the Columbus Club Board and is a leader in the Boy Scouts.

He works at Queen of Hearts Raffle, Fish Fries and Other Dinners, and virtually all Council Fundraising and Fraternal Events.

He is a member of the Degree Team.

Brother Knights that are always willing to serve in a variety of capacities are essential to the success of our Council and need to be recognized.

It is with great appreciation that we name Brian Comish as September's Knight of the Month.

Congratulations from the Highland Knights of Columbus Council 1580.

September Senior Knight of the Month

We have selected as September's Senior Knight of the Month, a Brother Knight who has been a council member for more than 50 years.

This Brother Knight has served at many events and fund raisers over the years but is best known for his love of the game of baseball and his coaching abilities.

Our Brother Knight most recently served on the com-

mittee that brought the KC National Softball Tournament to Highland and successfully organized, promoted and managed the event which put our council in the national spotlight.

It is with great appreciation that we name Pete Feldmann as September's Senior Knight of the Month.

Congratulations from the Highland Knights of Columbus Council 1580.

Hats Off

Hats Off to Brother Knight Brian Comish for being chosen as September's Knight of the Month.

Knights of Columbus already contributed more than \$27,220 toward disaster relief

Dear Brother Knight,

Thanks to your generous support, the Knights of Columbus has already contributed more than \$27,220 toward disaster relief along the eastern seaboard.

But donating isn't the only way you can help.

Help spread the word by sharing our social media posts on Facebook or Twitter. Share this Disaster Relief flyer via email or social media. You can also print it and distribute copies to your community and parish.

Sharing these links will cost no more than a few seconds of your time, but they can make all the difference in the life of another.

Please spread the word as we keep the East Coast in our prayers.

Ladies Auxiliary News

Our world is ever changing: jobs change, kids leave home, friends move away, loved ones pass on, people disappoint us, the cellphone or computer we buy today is outdated in less than a year with a newer, better model to replace it.

Our bodies are even constantly changing with new cells being made every day and some of our body parts "wearing" out as we age. But one thing in our lives that is constant and never changing is God's love for us. That is the solid foundation on which we can rely and build our lives upon. We can count on God to be there for us when everything else in our lives seems to be out of our control and changing faster than we would like.

So lean on God who never changes – His love will hold you up!

The Auxiliary welcomed new member, Nina Burcham, at our September meeting.

Please buy or sell your raffle tickets for the upcoming quilt and basket raffle on October 28th. This is a great way to help fund the Auxiliary's charitable endeavors.

As long as the Queen of Hearts raffle goes on, there are opportunities for the ladies to work the kitchen on Thursday nights. Another fun way to support the Knights and Auxiliary.

Call President Kathy at 604-0348 to sign up for a shift. Recent ways the Auxiliary has supported the community were through donations to the Knights Tootsie Roll Drive, sponsoring a class at St. Paul through the Mentor Match Program and donating toward the All Abilities Playground at Rinderer Park.

Please join us at our next meeting on October 2 at 7 p.m. at the KC Hall. Be a part of the fun and fun-raising! Also be sure to pay your dues of \$5.00 which were due July 1.

GRAND KNIGHT MESSAGE

Surrounded by Good People

Since my last Grand Knight's Message our council has been involved with four major events.

*Kim White
Grand Knight*

We hosted the KC National Softball Tournament, provided the Kirchenfest with the equipment, manpower and know-how to handle pretty much all of the weekend's frying and helped clean up on Monday after the Kirchenfest, completed the Intellectual Disability Drive (Tootsie Roll Sales) with record results and hosted the Firemen's and EMT's Appreciation Dinner. Add to that three Queen of Hearts drawings, three Bingo Games, an Officers Meeting and a Council Meeting which included an Initiation Degree. How about that! This council is very active.

I am surrounded by good people. We could not have successfully completed any of these recent events without the support of our members and their ladies and the St. Paul CYO at the Softball Tournament. I am very grateful for your help. It seems like we still need more workers for every affair. As an example, despite our record sales at the Intellectual Disability Drive there were still some time slots at busy spots that went unmanned. I think the problem is in communicating our manpower needs to our members in a timely fashion.

I am looking into better, higher tech ways to contact and schedule the workers for our events. Two new processes that might help would be to contact

the members via text rather than our phone tree and utilize an online scheduling app rather than the sign-up sheets at the KC Hall bar, because not everybody comes to our Council meetings.

We also need captains that are willing to manage an event or a portion of an event to offload our officers.

The Queen of Hearts has been a big help in staffing other events because we can recruit those who come to the Queen of Hearts to work on other projects.

October is Pro Life and Rosary month and is shaping up to be a busy as well. October 7 is the Life Chain at the intersection of IL 143 and Route 40 from 2:00 PM to 3:30 PM. October 13 is Highland Day at the Abortion Clinic in Granite City. October 28 is our Sausage Dinner. I would encourage all to participate in any or all of these upcoming opportunities to share your faith. Remember Faith, Family, Community and Life is what we are all about.

I would like to extend a warm welcome to our new members, Garland Edwards, Cliff Couch and Randy Talleur. It's great to have you as part of our council and I look forward to working with you.

For those knights who may not have heard, please join other brother knights for breakfast Tuesday mornings at 7:30 AM at 9th Street Café. There is no agenda, everyone buys their own meal. It's just simply a good time to spend with your brother knights.

Come join us.

*Until next month,
Kim White
Grand Knight*

We are so fortunate to have people to keep hall running smoothly

Well, we made it to fall and I am very pleased to report that I have nothing to report on at this time.

Again, as I have in the past, I want to thank everybody who's been helping with all the little chores that need to be done around the hall and pavilion.

We still have a couple events that will take place under the pa-

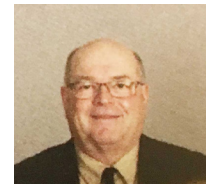

vilion this fall and then shortly it will be time to winterize. So, I will leave it at that.

It won't be long and we will be in the holiday season, so let's show a little patience with one another and some acts of kindness.

I'm sure we will all have an enjoyable fall.

May the good Lord keep everybody in His caring arms and I hope to see all of you around the hall.

Knights for Lights Gun Raffle 2019!

Our Plan is to have Tickets available for the 2019 Knights for Lights Gun Raffle by our November Council Meeting (Tuesday, Nov 13). Tickets will again be \$20 for a year's worth of excellent monthly drawings.

Our goal is that all Knights of Council 1580 will be able to have these tickets available to Sell (or Give!) to family members over Thanksgiving, Christmas and New Year's Holidays.

Our 2017 Knights for Lights Gun Raffle netted approximately \$9000 for the ballfield lights and contributed \$120 to Newman, \$140 to Vocations and \$40 to Pro-life causes.

Our 2018 Knights for Lights Gun Raffle was a bit down in sales from 2017, it only netted between \$4000 and \$5000 in profits. Winners to date have won a 460 Magnum, Ruger LCP II 280, Savage 17 HMR, S&W M&P AR-15, 44 Mag Revolver, Remington 870 and a Henry Golden Boy. Winners are posted in the bar at the KC Hall, as well as the "sold by" Knight. Winners for 2018 include Drew Declevca, Leonard McCalle, Luke Goring, Brian Comish, Jacob Troxell, David Clark, and Jim Johnson.

Let's get ready to sell some tickets for the Knights for Lights Gun Raffle 2019!

How Did He Do That?

Highland's Knights of Columbus Council #1580 held a "Thank You" dinner for area firefighters and EMT's at the KC Hall, Sept 18. The meal was completely prepared by KC members as a way of thanking those folks who often put their lives on the line on a daily basis. Magician Greg Green from Jerseyville entertained with magic tricks. "Magic Greg" did a wonderful job of bringing laughter and wonderment for everyone who attended.
