Asking God To Protect Unborn Children; Conversion For Abortionists

Rosary Procession

Rev. Piotr Kosk, Parochial Vicar, held the procession from the church as children and students of St. Paul School led the two-block route.

HIGHLAND - Christians across the nation are pleading for God to intervene and save children from the hands of abortionists.

A procession from St. Paul Church to a nearby field was held Saturday morning, October 10. The St. Paul Fatima Rosary Rally was attended by approximately 75 people praying for abortion to end to save the lives of the unborn.

It is ironic that this undertaking was held on the lot of the old St. Joseph's Catholic Hospital where babies were once born.

Rev. Piotr Kosk, Parochial Vicar, held the procession from the church as children and students of St. Paul School led the two-block route. Father Kosk was carrying the monstrance. The monstrance is a sunburst holder and the monstrance has a small round glass where the Host is placed. The Blessed Sacrament can be seen behind the glass in the lunette.

Father Kosk, a member of the Highlands Knights of Columbus #1580 reminded everyone that God cares for the nation, the state, the church and every person who was on hand to pray during the solemn occasion, and added that Christ is present in the Host.

Other St. Paul parishioners were in Granite City at the Hope Clinic joining Thomas J. Paprocki, Bishop of the Diocese of Springfield in Illinois for a mass and walk from Holy Family Catholic Church to the clinic where abortions are performed.

"Our Bishop Paprocki rocks!" said Rose Wascher. She said he spoke from the pulpit exactly what the democrats believe in and what the republicans believe in as well as their stance on abortion. Wascher said, "He didn't sugar coat anything and he was just courageous and truthful!" She said these are "Things we need from the pulpit more

Our Brother Knight has been a Knight for 28 years and also a member of the Fourth Degree.

He transferred to our Council when he moved to Highland from the Chicago area.

He willingly accepted the position as a Council Leader.

He is currently our Deputy Grand Knight and is also the treasurer for the Columbus Club.

He most recently organized and led a group of Knights collecting at the Route 4 and Route 143 intersection during our tootsie roll drive.

It is with great appreciation that we honor as the Knight of the month for October our brother Knight Ken Krausz. Congratulations from the Highland Knights of Columbus Council 1580!

Senior Knight of the Month

Senior Knight of the Month: Our Senior Knight of the month has been a Knight for 41 years and also a member of the Fourth Degree.

He has been very active in all of our functions and is always willing to help prepare food at our dinners and at the Madison County Fair.

Ladies Auxiliary News

Anxiety can be a terrible thing and there are many levels of anxiety but it is a reality in modern life. Probably everyone, young and old alike, experiences it at some time or another to some degree. Maybe we're anxious about that presentation we'll be giving at work or remembering all the words for the school play.

*Kathy Lohman
Ladies Auxiliary Secretary*

Maybe we're nervous about a job interview or making friends at the new school. Maybe it's what we'll do in our retirement years.

In the past few months new reasons for anxiety have probably cropped up for many of us like navigating the work-from-home routine, home-schooling, becoming more tech-savvy. Or maybe even losing a job and suffering financial difficulties as a result have added to the normal stress. Then there are those who have had to endure not seeing family in nursing homes or assisted living facilities or not being able to be with loved ones in hospitals when being together is what is needed most. These are in addition to the reasons we were stressed before Covid!

So what do we do with all this anxiety? Too often we look to ourselves for all the answers; we tend to rely on our own strength, our own wisdom to solve the issue. Where we really

need to be turning is to God; so why don't we? Do we think our problems are too petty for Him? Do we think we have to come up with all the answers on our own? Do we think we have no right to bother Him? When we see our children in distress, we long for them to come to us and discuss their concerns and ask for our help so we can share our wisdom of experience or at least give them a listening ear or sounding board. If we feel this way about our own children, think of how much more God longs for us to seek His help and come to Him with our anxieties which rob us of our joy. God is waiting for us. Let's not delay.

Let's BOTHER Him today! The auxiliary has decided to omit its December meeting and Christmas party and has also postponed the Rock & Roll Bingo that was scheduled in December to a date to be determined in 2021. Recent activities of the auxiliary have included participation in the 40 Days for Life Campaign, the Fatima Rosary Rally and the Pro-Life Chain. So we can still find ways to serve even in these challenging days! Our next meeting is November 5 at 7:00 pm at the KC Hall. We social distance and wear masks for everyone's protection so come on out and see what we're about!

Hats OFF

Knight of the Month

This month we tip our hat to these fellow Knights who are being recognized for going above and beyond to act on their faith and set the example for our council and the Knights of Columbus!

Congratulations to brother Knight Ken Krausz for being chosen as the Knight of the Month for the month of October.

Senior Knight of the Month

Congratulations to brother Knight Jim Kampwerth for being chosen as the Senior Knight of the Month for October.

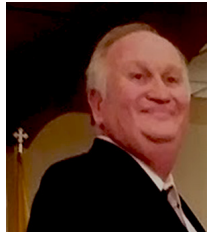

Family of the Month

Congratulations to Karl and Helen Lammers for being chosen as our Family of the Month for October.

Memorial Mass Set For Nov. 24

I hope this message finds all my brother Knights safe and well. Our founder Father Michael J. McGivney was Beatified on October 31st. This was a glorious day for Knights worldwide. He is the first American parish priest to be beautified by the Catholic Church. To

Wayne Henze
Grand Knight

celebrate this event our council hosted a Delta Church membership drive at all St. Paul masses that weekend. If you know a catholic gentleman who is 18 to 80 years old please invite him to consider joining the Knights of Columbus. Prospective members may apply online at KofC.org/join or contact a brother Knight. The process of joining has recently been changed to a much simpler "exemplification". If you remember when we joined the exemplification took three to four hours to complete the 1st, 2nd and 3rd degree. The new "exemplification" program takes the candidates through all three degrees in about 40 minutes and families and friends are invited to witness this ceremony.

On Sunday October 25th we

held a very successful drive-thru sausage dinner. We served over 550 dinners with many compliments from our patrons. I want to thank all of the Knights that worked in the kitchen, on the serving line and waiting on the cars. I would especially like to thank Gene Brueggeman who organized the kitchen & fryer crew. We have worked very hard to refine our process and keep drive-thru lines very small. Thanks to all who came out and supported our council.

Our next function will be our yearly memorial mass to be held on November 24th at 7:00 p.m. at the KC hall. I feel that this is an important event to honor our Brother Knights who have passed away this year. Our hall is large enough that we can social distance families, guests and members. We ask that all attendees practice all safety protocol.

On Sunday November 29th we will be having another Drive-Thru Chicken Dinner from 10:00 am to 2:00 pm. This will be a collective effort by the Council and the Ladies Auxiliary with all profits being donated to St. Paul Catholic Church. If you would be interested in helping please contact Wayne Henze or Gina Lipski. This is the Sunday after Thanksgiving

so why not take a break from cooking and support our parish at the same time.

Our Council Christmas Party was scheduled for December 13th. Due to the restrictions of the pandemic I am postponing it until it is safe for the council to gather and celebrate. I know that the Knights and their ladies look forward to this celebration so it was a very difficult decision for me to make.

I would like to take this opportunity to wish everyone a Happy Thanksgiving! I ask our Lord in Heaven to bless your family as you gather to give thanks for all our blessings and for all those who are traveling to have a safe journey.

Peace be with you!
Wayne O. Henze

Big Orders Are No Problem - KC Member Jay Korte assembles a large food order at the KC Drive-thru Sausage Dinner held on Sunday, October 25. The turn out was great and many people later commented on the fast service and good food. The Knights of Columbus appreciate the community support during the pandemic when many events have been canceled.

Our Condolences

Our condolences to the family of **M a r g a - r e t B a r t h, Mother of brother knight Joe Barth.**

Our condolences to the family of **Edward Whaley, Father of Brother Knight George Whaley. May they rest in peace.**

Morris & Linda Zobrist 75th Wedding Anniversary

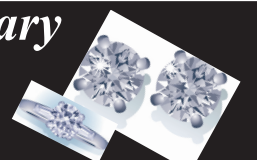

Linda Marquardt and Morris Zobrist were United in Marriage 75 years ago on November 28, 1945, at the St. Paul Catholic Church in Highland, Illinois.

Their journey started when a very young Linda and Morris said, 'I do'. Linda and Morris have 3 sons, 3 grandsons, 6 granddaughters, 3 great-grandsons and 5 great-granddaughters; living in Arizona, Texas, California & Virginia. At 90 & 93, they have had a lifetime of memories, and more is yet to come!

Happy 75th Anniversary

May God bless you two as much as your family has been blessed through both of you!

Greetings Everyone! Hope This Finds You Healthy, Safe

You probably noticed the temporary bracing on the awning in front of the Knights of Columbus Hall. It was damaged by a caterer several months back. We have settled with the insurance and are finally in the process of repairing the damaged awning. In the process of repairing, we will update the overhead lighting for both cosmetics and efficiency. We expect the awning to be fully repaired in November.

At November's Columbus Club meeting, the nominating committee will present three candidates to replace the three off-going board members. Then at the Council meeting, the three candidates will be presented to the members by the nominating committee. There will then be an Election by Acclamation, provided there are no floor nominations. If there are floor nominations, which will make the candidate total exceed the number of vacancies, there will then be a ballot vote. The top three candidates, with the most votes, will win the election to be on the Board.

A term on the Board consists of three years. A member can stay on the board for a second three-year term if he is voted in by the council, as described above. After two consecutive three-year terms, the member must be off the board for at least a year, before he can be elected again. If there are unscheduled vacancies on the board, the board members select a council member interested in joining the board. The selected member will serve out the time of the replaced member's term. A member's time served on a vacancy is on an interim basis. He can still serve two consecutive three-year terms immediately following the vacancy term.

The Columbus Club is seeking a Hall Manager to fulfill the duties of planning and estimating for hall events, managing the bar and employees, managing cleaning services and a host of other duties. If you or anyone you know are interested and need more information, please contact Dave Gall (current Hall Manager) or any of us on the Columbus Club.

I am prayerful that you all stay safe, healthy and prosperous. Please use caution, be smart and realize that we can go about the day's business and live with a pandemic. Remember, our politicians put themselves in a position where their decisions / directives, that are squashing us, have very little impact on their own personal lives or wellbeing. Please take the time and make sure you all go out and VOTE.

*God Bless you and your families, Mike Carrol
Columbus Club President*
