HIGHLAND - Many people are asking when will the Queen of Hearts begin?

The first raffle will be held at the Knights of Columbus Hall here, Thursday night, June 21.

How is it played?

First, you as a participant obtain a PIN "personal identification number" at the KC hall.

Initially, ticket sales and PIN registration will be done on Tuesday, Wednesday, and Thursday from 5 to 8 p.m. of the two weeks preceding June 21. On raffle night ticket sales end at 7:30 pm. The drawing will be at 8 p.m.

The PIN number

The PIN number you receive is yours for the duration of the game. Once you have a PIN number you may purchase any number of tickets.

Write your PIN number on each of these tickets and place them in a provided receptacle. At the time of the drawing one of these tickets is pulled. If you are lucky, it will be yours. At that point you have a decision to make. The first week of the game there will be a board with 54 playing cards pasted and sealed face down. You select which card space you want uncovered. If you are lucky again, you selected the space that holds the Queen of Hearts. That means you win the jackpot.

If it is not the Queen of Hearts, you will receive a cash

consolation prize.

If you are not present at the time of the drawing, a card will be selected for you.

If the Queen of Hearts is revealed, you will receive one-half of the week's jackpot.

The other half will be added to the jackpot of the new game, beginning the next week.

The Rules Displayed

Highland Knights of Columbus Queen of Hearts rules will be displayed and readily available at event times. Ray Korte, Carl Lammers and Denis Thole spearheaded the startup of this event and fellow KC members have been very supportive.

The City of Highland approached approval of a Queen of Hearts drawing very cautiously.

A number of meetings were held with them which led to the present city ordinance.

Many people attended the organizational and preliminary meetings, where good ideas were shared.

Several of KC members stepped forward to chair some of the different committees.

A good set of rules was compiled in hopes of avoiding problems that other communities have experienced. The Knights are so fortunate that they have a good mix of skill-sets: members with business, professional, promotional and creative experience.

Food on raffle nights

The KC Ladies Auxiliary will be selling food on raffle nights.

Preparation of food, ordering of supplies and other items will be handled by Dave Gall, the hall manager.

The Queen of Hearts Committee is excited about this new

venture.

It has been rewarding to see the enthusiasm and support of volunteers that have stepped forward already.

They need the help of the entire membership and are asking fellow Knights to consider how they could help.

Thole said "It promises to be

a fun atmosphere where you can work a few hours and also participate in the actual drawing."

The fun begins at the KC Hall here, June 21.

Feel free to follow and share this event on Facebook at *Queen of Hearts Highland Knights of Columbus*.

KNIGHT OF THE MONTH

Our selection for Knight of the Month is a Brother Knight who contributes his time to the service and support of the Church, our Council and to our Community.

Our brother Knight is not unaccustomed to volunteering for activities. He is an avid supporter of his children's social events and oversees their movements. His guidance for the Scouts is not a small part of his agenda. He has been involved in the Wednesday night Bingo as a worker and in other operations of the KC Hall and the Columbus Club. He encourages his kids to be big on volunteering as well.

We are happy to have selected as Knight of the Month for April, 2018, Brother Knight Mike Carroll.

Congratulations from the Highland Knights of Columbus, Council 1580

SENIOR(S) KNIGHT OF THE MONTH AWARD

Our Senior Knight of the Month Award for April is given to two Brother Knights for their continued service and support to the Church, our council and our community.

Instantly available for help at the on the several projects around the KC hall and in our Church, these two men are outstanding examples of what Knights are called to be for all to follow.

It is with great pleasure that we have selected Carl Lammers and Denis Thole as our May, 2018, Senior Knights of the Month.

Congratulations from Highland Knights of Columbus Council 1580.

FAMILY OF THE MONTH

Our selection for the Family of the Month is

a Brother Knight and his Lady who have selflessly provided support and service to the Church, the Council and our Community.

This Brother Knight is also a member of the Fourth Degree Assembly 231. He is a well-known fixture of the KC Hall: being available to open the hall for small or large events, bartending for the most critical drink orders and telling patrons what they need for bingo. He had been in the service of the Council for so many years.

Our selection for Family of the Month for May, 2018, is our brother Knight and his Lady, Orville & Olivia Landmann

Congratulations from Council 1580, Highland Knights of Columbus.

Ladies Auxiliary News

How do we measure our lives? Is it by the success we've achieved in our careers? Is it by the way we've raised our children reflected in their achievements?

Is it by regrets for the things we did or said or wished we had done? Is it by all those unaccomplished things that didn't happen because we had neither the time nor the resources to do them? Is it by always looking back instead of forward?

Is it by worrying what others think of us? Or do we measure our lives by how well we have loved and how well we are loved? There are 525,600 minutes in a year. How are yours

Who Are the Knights of Columbus?

During the past decade, the Knights of Columbus has donated more than \$1.325 billion to charity.

The Knights of Columbus set new all-time records for charitable donations and volunteer service hours in 2008.

Neighbors Helping Neighbors. The Knights' annual Survey of Fraternal Activity for the year ending Dec. 31, 2008, indicates that, despite a soft economy, total charitable contributions reached \$150,036,865 - exceeding the previous year's total by more than \$5.1 million.

The figure includes \$32,295,376 donated by the Supreme Council, and \$117,741,489 in contributions from state and local councils assemblies and Squires circles.

The survey also indicated that the quantity of volunteer service hours to charitable causes by Knights grew to 68,783,653 - an increase of 87,885 hours compared to 2007.

There were more than 413,000 Knights of Columbus blood donations during the year and, among the most common service programs, Habitat for Humanity received 156,295 K of C volunteer hours.

The Knights of Columbus has been promoting a Year of the Volunteer and sponsored a summit on volunteerism,

A Nation of Neighbors Helping Neighbors, in New York Feb. 27, to promoted increased participation and collaboration in volunteer efforts from individuals and organizations.

Grand Knight's Message, June, 2018

Hello fellow Knights! Gee, will winter ever come?

Just kidding. I'm really looking forward to opening the pool very soon.

*Jerry Klostermann
Grand Knight*

I have much to report for the end of the Fraternal Year. There is so much to prepare for and report about, that it is almost impossible to begin my letter.

I'm reluctantly watching the end of the fraternal year approach, when I will relinquish my role as your Grand Knight to the next selected Knight. It had been a good time crowded with periods of stress and grief, push & shove, shouting and apologies. However, I shall always be filled with pride when I remember my time as your Grand Knight. The Council has been coming together to support our efforts at fund-raising and celebrating for more than 107 years. We have earned a place in the hearts of Highland.

Speaking of which – the Queen of Hearts is coming to the KC Hall. Details have been released. I wish I understood them well enough to explain, but I'm just a retired technician who made radios and TV's. The event is kicking off, and I wish everyone lots of luck in the upcoming drawings. This will benefit the Council, the hall, the community and the individual who is lucky to have the pick for the queen.

Just a peek ahead, we will be hosting a food stand at the Schweizerfest. Look for us on the east side of the square. Fries and fish will be our fare at the affair. It is unfortunate that we have decided to cancel the bingo games this year. However, we are going to be in the parade. Be certain to spend some time with us in the stand – working. Helping is just another way to be involved with your Council.

Next month, July, the Madison County Fair is going to take place July 24th to the 29th. If you're called, come to the stand and work your allotted time. We need several new individuals to fill spots that your father, uncle, neighbor or buddy left when they had to quit for good reasons.

Next month in July, the new

Grand Knight will come on board. You may have heard something about the shake-up, but it is all good. There will be a strong thread connecting the years. Support the new group when they ask for help. Especially, bring new members to the Council! That's when you can "just ask" the person sitting next to you.

Wednesday is bingo night at the KC Hall. We have been doing a good turn over the past month. Larger than normal crowds, lots of Brother Knights working and communicating – it's always a good night of fun. I really hate to see it end, just

before 10 p.m., because that's when we have to move the tables and chairs. Of course, the games start at 7 p.m.

We have new priests ministering to our needs in Faith. Let's not forget to welcome them with a hardy "Howdy."

Well, farewell for the time being. I do wish I could stay and visit you again in the coming months. I wish everyone good fortune. As the Irishman says, "May the knock at your door be Lady Fortune, and not her niece, Miss."

Protect What Matters Most — Your Family

Reprint from KOFC.ORG Insurance News 3/5/2018

Since its inception, the Knights of Columbus has been a family-first organization.

Father McGivney strove to create an organization where Catholic men could come together to protect and support the families in their communities who needed it the most — including their own.

Today, the mission is the same. The Knights of Columbus has more than \$109 billion of life insurance in force, covering the lives of hundreds of thousands of our members and their families.

Knights across North America continue to trust the Order to protect them and see to it that their loved ones are well taken care of once they're gone. Are you one of those members?

Life insurance can help you protect your loved ones in all stages of your life. And understanding how life insurance can help you protect your family while achieving your financial goals is easier than you might think.

As brother Knights, we have the honor of being part of an organization that carries out its founding mission even hundreds of years later. Your Knights of Columbus dedicated field agent is here to help you achieve this same mission — now and for years to come. His job — his mission — is to help you determine the most cost-effective means of providing your family with the coverage they need. It's a proven fraternal system that has helped countless families.

Your dedicated field agent is available to provide a complimentary, comprehensive analysis to assess your family's situation.

He will determine any financial shortfalls. He will also provide a solution that fits your family's budget through top-quality products: lines of life insurance, disability income insurance, long-term care insurance and retirement annuities.

We are an organization guided by ethical and moral values that has consistently earned the highest ratings of financial strength.

Our charge remains the same as it did in 1882: To protect and provide for those in need. As your first commitment is to your family, our first commitment is to you.

Contact your local agent today and learn more about the coverage available to you through your membership with the Knights of Columbus.

Thanks To Everyone Who Helps Us

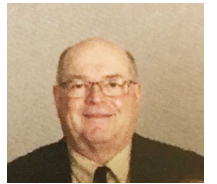

Sometimes things appear to be very good, and odds are that they are, so why would you mess with something that's working!

I have nothing exciting to report, other than the hall and grounds are functioning well, to the best of my knowledge, anyway. Again I need to thank the managers and everybody that helps out on the grounds for all they do.

As I always try to encourage everyone to do, if you have any thoughts, questions or anything to promote the organization, please bring them forward to me or any club member. We always have open ears for any ideas.

As always, I thank each and everyone of you, and I know that our good Lord keeps each and every one you in his arms.
