Annual Fundraiser A Huge Success!

“Chosen To Go and Bear Fruit That Will Remain.”

This theme chosen by our Worthy State Deputy Ted Stites reflects exactly what we do here at Highland Council 1580.

From the very beginning our Brother Knight Harvey Jakel, founder of the Annual Bishop’s Dinner Fundraiser for Vocations, Newman and Pro Life Activities, set out to do just that.

This year council 1580 enjoyed many significant milestones. The year 2018 marked the 30th year for our annual fundraiser. To date over the past 30 years, donations have now surpassed the \$400K mark!

With great pride I am happy to report that this year council 1580 collectively raised \$25,568 for these three endeavors. This total exceeds our previous all-time high in 2012 by a total of \$3 and is almost \$4,000 over last year’s total.

The charitable activities goals of Vocations, Newman and Pro-Life are consistently met. Also in the fraternal year 2017 - 2018, the Newman Apostolate Program in Illinois is celebrating its 100 year anniversary and remains to be our top priority program.

At this year’s dinner we presented 24 seminarians with \$500 each and again donated an additional \$2,000 to the Office of Vocations in the Springfield Diocese.

The Madison County Bowl for Charity, a multi council annual event, also donated \$2,000 to the education of seminarians in the Springfield Diocese.

I would like to thank all of our committee members who worked diligently over the past few months to again make this annual event the success that it is. I would like to especially thank all of the members of the Knights of Columbus, **Fundraiser** Assembly 213, Ladies Auxiliary, widows, community members and businesses that

KNIGHT OF THE MONTH

Our selection for Knight of the Month is a Brother Knight who contributes his time to the service and support of the Church, our Council and to our Community.

Our brother Knight is not unaccustomed to volunteering for activities. He is an avid supporter of his children's social events and oversees their movements. His guidance for the Scouts is not a small part of his agenda. He has been involved in the Wednesday night Bingo as a worker and in other operations of the KC Hall and the Columbus Club. He encourages his kids to be big on volunteering as well.

We are happy to have selected as Knight of the Month for April, 2018, Brother Knight Dereck Driemeyer.

Congratulations from the Highland Knights of Columbus, Council 1580

SENIOR KNIGHT OF THE MONTH AWARD

Our Senior Knight of the Month Award for April is given to a Brother Knight for his continued service and support to the Church, our council and our community.

Instantly available for help at the Fish Fry lines and dinners, our newly acquired Brother Knight was seen at every Friday Fry event in Lent after transfer-

ring from his Knight's service in the far reaches of the north - namely Chicago.

This Brother Knight didn't hesitate when he came to the hall, but asked, "What can I do to help." The rest is history.

We can only imagine what his last council is doing without him.

It is with great pleasure that we have selected Ken Krause as our April, 2018, Senior Knight of the Month.

Congratulations from Highland Knights of Columbus Council 1580.

FAMILY OF THE MONTH

Our selection for the Family of the Month is a Brother Knight, his Lady and family who provide support and service to the Church, Council and Community.

This Brother Knight is also a member of the Fourth Degree Assembly 231. His daughter had recently volunteered for the Knights of Columbus Annual Easter Egg Hunt; however, the small costume had been too large for her, and her mother stepped into the role & costume to make the event a success.

Our selection for Family of the Month for April, 2018, is our brother Knight and his Lady, Michael & Angela Nuxoll

Congratulations from Council 1580, Highland Knights of Columbus.

Ladies Auxiliary News

Hope ... such a small word but one that can hold so much promise. We all put hope in someone or something.

Sometimes that hope is misplaced. Sometimes that hope disappoints. Sometimes that hope leaves us with questions unanswered or not answered in the way we want.

Sometimes that hope may leave us feeling out of control. But honestly, we are not really in control anyway...God is.

So maybe we should be putting our hope in God before anyone or anything else. Our prayers and questions may still at times remain unanswered, but we can rest in our hope in

God knowing He's got it all covered. We don't need to be in control. He sees the big picture and He has perfect timing.

We are all here for a much larger purpose than we realize and God will be guide us in that purpose if we let Him. Hope in God!

So Much To Do ... So Little Time

Hello fellow Knights! Gee, will winter ever quit? I believe its going to be May before the grass is going to be tall enough to cut. Not to mention the daffodils and tulips have to bloom yet.

Jerry Klostermann
Grand Knight

So, had everyone a good Easter? Mine will be better when I visit my great-grandson this month. I'll bet he has a surprise or two for me.

With March behind us, the Fish Fries are finished and the Council can concentrate on the matters of the Ball Fields. I know a lot of guys are anxious to get the grounds in shape to have league plays and practices. I had hoped to get a Fish Fry Review done before the deadline for the newspaper fell upon me, but I'll have to guess what may be decided before the review process is done.

We are always learning and evolving when we have fundraisers, and the Fish Fries are not immune to new ideas and developments.

The group has several thoughts on how the Fries may become more entertaining, efficient or wholesome. I believe these Fries are an essential service to the Community by providing a delicious meal for families and individuals to partake with friends and families and fulfill their requirement for abstaining from meat on Fridays, and especially, provide a good meal instantly on the days of fast. We can't let our brothers be tempted to grab a fast meal on the road and shove the rules aside. We may take in a little profit, but there is the matter of the overhead: lights, heating, and hall rental.

However, the upcoming year will see a couple of changes and the committee to do it is forming in a very short time. Some things like a change in menu items, pricing of items, contests and the like are being considered. Come to a Council Meeting on the second Tuesday of the month to get involved.

Congratulations to the winner of the large caliber handgun and winner of the rifle. I know you will use them wisely and expertly. I wish someone would

take the cash instead, because that's cheaper on the Council. Not once have I seen anyone come up and explain that the gun was nice, they were hoping for a different one and would that the cash prize to apply towards their dream.

Here we go out of April. Spring showers and all that. If it were to warm up eventually, I think I'll just hang out by the picnic table and listen to the birds and get an early tan. There's a saying that goes, like, "An early tan lasts the longest." Makes sense.

Anyway, the trees' sprigs are beginning to bud. I just had everything trimmed up last year, so I will climb the stepladder and snip away at them. My association wants to know if I have enough insurance to let me use a chainsaw. There goes all my fun.

I wasn't prepared for bowling at the Charity Bowl at the Hi-Top Bowl, but the crowd was impressive. I'm waiting for the scores to come in, but I'll bet there were several high games and high donations for the event. Let's always congratulate those who work so hard to make the events a success for the Council. These are the guys that I am so very much impressed with their service and proud to be a member of this Council.

The Fourth degree will be calling shortly for volunteers to beef up the Honor Guard for the Bishop during his visits for Confirmation. How I remember being scared 'way back when' that I would get the questions wrong or mixed up. I don't envy the kids doing their part to be firmed up in the Faith, but afterwards, the celebration was great.

I do regret that there were those among us who were called early to go to the Lord.

Our condolences to everyone who lost someone in this past month. I saw several relatives leave us and it makes me think about whether I'm prepared; certainly, if I'm prepared in my heart.

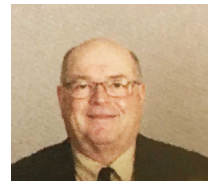

May is opening up with a late Mother's Day on May 13th as well as the start of the season to display the Flag. May 1st, Armed Forces Day and Memorial Day. I'm well aware of the dates because the pool has to be drained, scrubbed, refilled and treated by the end of the month.

I wish I could say that's all I have to be concerned with, but Schweizerfest, Madison County Fair and Kirchenfest are full upon us in June, July and August, respectively.

Thanks To Everyone Who Keep The KC's Moving Forward

We are moving right along! The roofers have taken care of the leaky roof. we hope, We'll have to wait-and-see for now. The ball diamonds look exceptional. We've had a couple delays in getting our season going because of the weather. But it's amazing how the fields have dried off so quickly. Thanks again to the men who were instrumental in getting this additional clay for the ballfields.

Ken Klostermann
Columbus Club President

There are a lot of projects that still need to be taken care of. Don't you wish at times we could be like some of the old sitcoms like, "I dream of Jeannie" or "Bewitched", where we could just nod our head, twitch our nose or snap our fingers and all these projects would be taken care of. But in reality being the good Catholics that we are we have something better. We have our faith and prayers, and our good Lord will help us get all these projects done in do time.

A good example of this is getting our ballfield lights "tweaked". A big thanks to Matt Dermody for working with Barton Electric in keeping this project moving forward! Thanks!

One of our big projects on the horizon is our parking lot and water drainage behind the hall. Hopefully you'll see some activity on this soon, if you haven't already.

We're fortunate to have members and non-members, that have genuine interest in seeing our facility do well, coming forward with new ideas and compliments on what has already been done. So, keep bringing those ideas forward, and compliments too. I'm sure the ladies and men, who are donating their time and energy really appreciate it.

So again, I want to thank everybody for what they do to keep this fine organization moving forward. So if you're curious and see activity around the hall, come on out, see what it's all about!

As always, may our Lord watch over all of you, and I hope to see you all soon.
